

Coronavirus Updates

Annual Member Meeting:

The meeting scheduled for Tuesday, March 17th at 4:30 p.m. is going to be **postponed** to a later date. We will notify you as soon as we have selected a new date.

Western CT FCU continues to monitor for recommendations by the government, following CDC Guidelines, and looking for ways to help protect our members, our community, and our staff from the outbreak of the COVID-19 virus.

Going Forward:

While we are operating during normal business hours, we are requesting all routine transactions be done using our drive-thru. We are **restricting access to our lobby** to limit exposure for our staff and to avoid members being in a confined space together. We expect that we can fully meet your needs even under these restricted operations. Should our operations be affected further, we will be sure to notify you.

Our goal is to continue providing you the financial services and support you need while lowering the risk of spread of this disease. In our effort to do this we want to make sure you are aware of the many ways you can reach us and meet your banking needs. Please check our website for more detailed information and email us with any questions you may have. Stay safe and stay healthy!

Online Electronic Services at Your Fingertips

Give our Mobile Banking App a try!

Access your accounts at Western Connecticut Federal Credit Union on your mobile device anytime with our Mobile Banking App! Use it to check your balances, view your transaction history, transfer money, pay your bills and deposit checks. Our **NEW** Mobile Check Deposit feature allows you to snap a picture using your phone of the check you want to deposit. For checks outside of our normal limits you can contact our Member Care Team for prior approval to submit the item and we will guide you to alternative options if necessary. It's super easy and super convenient!

Online Loan Applications

We do offer the ability to apply for a loan online. With this service available and our ability to perform electronic signatures for established members, we can continue to meet your lending needs at your convenience without having to visit our office.

Take Back Banking

At Western CT FCU, we want to put more money in our members' pockets. That's why we're excited to announce our new, Kasasa® accounts that do just that. Our Kasasa accounts are all about rewarding members who help support their communities by banking locally. For instance, our Free Kasasa Cash® checking pays an exceptionally high rate on your balance. Alternatively, our Free Kasasa Cash Back® checking earns big refunds on debit card purchases. Even more, both accounts earn nationwide refunds on ATM withdrawal fees.

So, what's the catch? There's not one, really. Just do some everyday banking basics each month — things you probably do already — like using your debit card and getting e-statements. If you don't meet those reward qualifications, there's still no penalty and you can get right back to earning your rewards the next month!

But we're not stopping there. We're also bringing you Kasasa Saver®, a free account exclusively available to Kasasa checking account holders. Linked to Kasasa checking, it collects earned checking rewards and sweeps them into this interest-earning account automatically.

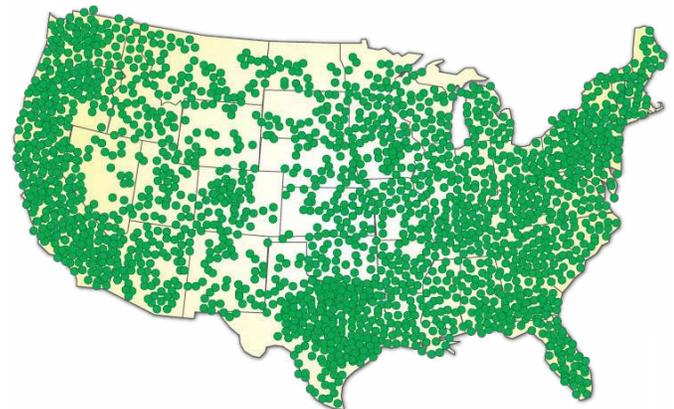

Kasasa not only earns money, it can also help protect it too! Kasasa Protect® is a one-stop fraud defense strategy providing monitoring, alerts, and more. Available to all members, it's an affordable way to keep an eye out for suspicious activity 24/7.

To learn more about these great new options, please visit our website or contact us at membercareteam@westernctfcu.com.

Convenient Surcharge-Free ATM Access Nationwide

The ATM at our branch remains available, but if you cannot make it to our location, we offer more access. A benefit of membership includes access to more than 55,000 surcharge-free ATMs on the Allpoint Network. Many of these locations remain accessible, but because of the nation's response to this public health crisis, please check the open status of each location.

Find an ATM near you by visiting www.allpointnetwork.com/locator.aspx or downloading the Allpoint app on your mobile device.
